Phil and Heidi, the conference organizers, would like to thank you for attending the Fall 2002 Fiber Society Fall Technical Conference.

This conference would not have been possible without the support of many people at the U.S. Army Soldier Systems Center. We would like to thank the following people who assisted at the registration desk and provided audiovisual support: Deb Cobban, Richard Walunas, Rob Hawley, Charlene Slamin, Diane Wood, Allison Griffin, and Jennifer Waddington. We would especially like to thank Deborah Cobban who served as our conference facilitator, and was instrumental in the success of the meeting. Our supervisors, John Gassner and Jean Herbert, were very generous in allowing us to spend the time required to pull the meeting together. The Fiber Society Secretary, Subhash Batra, and the Treasurer, Bhuvanesh Goswami, provided good advice and guidance at all stages of the meeting.

Please contact us if you have any questions regarding the conference.
